VALUE. WE MOVE  
THE EARTH!**

# TUFFBILT RUBBER TRACKS

# TUFF BILT

## 1 CONTINUOUS STEEL CORD (CSC) TECHNOLOGY

Has resulted in the elimination of over 95% of all track failures.

## 2 IDENTICAL TO OEM TREAD PATTERNS AND SPECIFICATIONS

Designed to produce the strongest, most durable and long-lasting rubber tracks in the industry.

## 3 ADVANCED RUBBER COMPOUND

Made with 100% virgin natural and synthetic rubber and we never use recycled product.

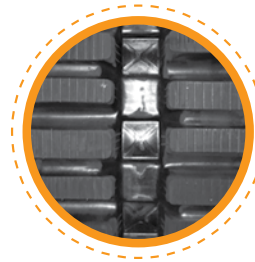

## 4 HARDENED FORGED STEEL

Reduce vibration in virtually any operating condition.
